GO THUNDERHAWKS!

LUNCH ACCOUNTS: As the school year begins to wind down, the full amount of lunch tickets are not going to be needed. We have approximately 35 days left of school, so please keep this in mind when sending overpayments of your child's lunch ticket to school. Also, for those who have outstanding balances, please contact Christy to discuss payment before school is dismissed for summer.

SHORTS AT WES: As per the WES Handbook, students are once again allowed to wear shorts beginning April 1st. That being said, please remember that it is still very chilly in the mornings and sometimes the high for the day isn't until after school is dismissed. Students are welcome to wear shorts under their pants and take their pants off later. Please also remember that as the days get warmer, P.E. classes will be held outside. Tennis shoes are the best shoe to wear for school as the students gym shoes are not for outside use, but for the gym floor. Sandals and boots make it very hard to run outside during P.E. **Remember, flip flops are not allowed per the WES Handbook dress code.**

4TH GRADE CONSERVATION ROUNDUP: Mr. Beach's 4th grade class will be attending the annual Kids Conservation Round-Up. This will be Tuesday, April 30th in Colby. Students came home with a permission slip for this event. **All permission slips need to be turned in to the school by Wednesday, March 27th.** More details about this will be sent home at a later date with your 4th grader.

BOX TOPS AND POP TABS: Thank you to all that have been sending Box Tops and pop tabs to school! We appreciate all that have been sent so far. If you would like a sheet to collect Box Tops, please let Christy know and she will send one home with your student. Also keep the pop tabs coming! The jar is close to being filled! The goal is to fill it before the last day of school!
